Taller	Purpose	Percussion	Evaporating

Reading

Daily reading for 10 to 15 minutes. This could take the form of a reading book from school, a book from home, a magazine, a newspaper or even a website such as Newsround. Any reading that links to our topic 'What on Earth are you talking about?' would also be of benefit.

Maths

Hwb - We would like all children to access this and complete the following activity. Children have been shown how to print screen and save their work during our class based learning.

Topic

During our Summer topic, we are looking at 'War and Peace' We would like children to design their own peace poster. A plain piece of paper has been included with home learning.

This poster can be of any image that the children feel represents peace. The below images are to help support learning.

If you have queries please do not hesitate to contact us.
